

# DEVOTIONAL

for parents

In the dark, a world of neon colors comes to life. Whether it's the soft green of glow-in-the-dark stars or the bright colors of bioluminescent creatures, light can break through the darkness. When the world needed some light, God sent Jesus because he glows in the dark, and he can teach us how to shine with God's light, too! In this five-week series through the Gospels, we'll follow Jesus' life leading up to Easter to see some of the ways he can shine bright in our lives. As we explore, we'll see **Jesus is the light in the darkness**. We'll also learn how celebrating how **Jesus died and rose again!**

Want to learn and grow alongside your kid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
